■ Career Summary

I am a dedicated and hardworking young professional with hands-on experience in Social Media Management, Customer Messaging, and Digital Support.

I have successfully managed multiple online pages under my own brand names — PageLink Pro and Social Vault BD — providing Facebook, Instagram, Telegram, X, and YouTube management services.

Along with that, I have strong communication and creative writing skills, which help me connect with customers effectively and maintain page engagement.

I am passionate about learning new digital tools, improving my work quality, and building a professional career in the field of Digital Marketing & Customer Relationship Support.
